

ABOUT *us*

Sylva Spa is a sanctuary where nature's tranquility meets the art of rejuvenation. Inspired by the Latin word "silva," meaning "forest" or "wood," our spa embraces the calming essence of nature, offering a peaceful escape for relaxation and renewal. Nestled in a serene setting, it is designed to restore balance to the body, mind, and spirit.

Every treatment is thoughtfully crafted to harness nature's healing energy, from signature massages and revitalizing facials to holistic wellness therapies. Each experience is designed to soothe, refresh, and uplift, allowing guests to reconnect with their inner calm.

Step into Sylva Spa and immerse yourself in a world of serenity. Let the peaceful ambiance transport you to a woodland-inspired retreat, where stress melts away, balance is restored, and every moment is dedicated to your well-being.
